Dear Vini Band,

Thank you so much for your brilliant performance at the wedding of Charlie Prior (my son) to Marysia Gazdzicki on Saturday 18th April, and thank you to Daria Druzgala for introducing and booking you.

As professional music producers, we were always mindful that the gift of wonderful music should be bestowed upon our guests, and especially Charlie and Marysia, and thank you for your professionalism and hugely talented band of fine musicians and vocalists; you brought great fun, joy and theatre to the occasion and had the Hotel Bristol jumping!

We have received so many comments, letters, emails and Facebook posts, saying how great music followed the bride and groom from the Church, to the reception, and then the wedding dinner and party, and that it was the best of weddings.

To all of you in the Vini Band, dziękuję and na zdrowie, you were all wonderful, and thank you for accompanying and allowing Charlie to sing to Marysia.

To anyone thinking about booking the Vini Band – stop thinking and book them, they are fantastic!

With very best wishes,

Tony
